September Starts Here

Dear PAT,

Welcome to September! Time to start thinking about packing away the toys of summer, putting the cover on the barbecue and getting ready for back to school. And when it comes to autumnal entertainment, we've got you covered—with the latest **DVDs** and **Blu-rays**, exciting new **video games and accessories**, today's hottest new **music**, and more.

In our **What's Hot** selection this month, ***Robin Hood (2010): Unrated Director's Cut***, Oscar®-winner Russell Crowe (Best Actor 2000, *Gladiator*) and Oscar®-winning director Ridley Scott (Best Director 2000, *Gladiator*) team up to bring to life the legendary figure whose exploits have endured in popular mythology and ignited the imagination of those who share his spirit of adventure and righteousness. It's a bold, big-screen re-telling of the Robin Hood legend the way it was meant to be seen!

Our **MovieHeads**, Jim and Ed, always leading the charge when it comes to adventure and righteousness (okay, even I can't say that with a straight face), are worried of being left out of the loop when it comes to the new fall TV series, so they're trying to catch up on things they've

MovieHeads with Jim & Ed

Jim: Hey Ed, that's quite a stack of DVDs you're carrying there. Let me give you a hand.

Ed: Oh thanks Jim. That'd be great.

Jim: [applauds] See? I'm giving you a hand!

Ed: Oh, you're just so hilarious. Seriously, take some of these will ya. We can watch them at my place.

Jim: [taking the top half of the stack] So, whatcha got here... *The Vampire Diaries: The Complete First Season*; *Two and a Half Men: The Complete Seventh Season*; *The Office: Season Six*; *Smallville: The Complete Ninth Season*; *Dexter: The Fourth Season*... wow, lots of great TV

shows. What happened, did you finally cancel your cable?

Ed: No, I'm just trying to catch up on last season's episodes and get up to speed for the new fall season. Don't want to be left out of the loop.

Jim: Ah, great idea. I was so busy this past year, I lost track of some of my favourite shows, too.

Ed: Exactly! So when the new fall seasons start, we'll be completely up to speed and we'll hit the ground running!

Jim: Hey, that reminds me...I have a copy of *Glee: The Complete First Season* at home. I can add that to your stack—then we can hit the ground singing and dancing as well!

Ed: No way are you breaking into song and dance in my house! Nuh-uh! Not gonna happen!

Jim: Killjoy.
